

# ANBI Declaration (Public Benefit Organization Status)

Stichting Mother's House hereby declares that it meets the criteria for public benefit organization (ANBI) status as defined by the Dutch Tax Authority (Belastingdienst).

The foundation was established on **January 20, 2025** with the aim of promoting healing, awareness, and personal transformation for people with psychological, emotional, or spiritual challenges.

Stichting Mother's House:

- Operates as a **non-profit** foundation
- Uses its funds exclusively for activities that serve the **general public interest**
- Publishes its objectives, board, finances, and activities online
- **Does not pay board members** for their work
- Makes its annual policy plan and reports publicly accessible

We are in the process of applying for official ANBI recognition with the Belastingdienst.
